Interest rate payable by you

If you fail to pay us any amount when it is due, we reserve the right to charge interest on the overdue amount at a rate which fairly reflects the increased risk for us but not exceeding five per cent above the base rate of a major UK high street bank. We shall promptly notify you of the relevant rate selected. Such interest will accrue daily until we receive full payment. We will only apply this interest charge to your account where the interest calculated is greater than £10.

If you have any questions about these interest rates please contact your Relationship Manager.

Notes

1. The interest rates listed are the gross rates in force from the review date. You will only earn interest on credit balances held on your capital. Dividends and other income accumulated in your income account will not earn interest.
2. Interest will accrue daily at the applicable rate and be paid in accordance with our Terms.
3. As interest is paid gross, it is your responsibility to report and pay any tax due under self-assessment to HM Revenue and Customs (HMRC) or any other relevant tax authority.
4. Interest rates are subject to change and will be notified to you in accordance with our Terms. Please refer to www.brewin.co.uk/fees-and-charges for the current rates.
