SECTION 1: TRUST DETAILS

A Bare Trust is created when an individual (the settlor) makes a gift to a person under the age of 18 (the beneficiary) and the trustee(s) are/is responsible for managing the trust. This application form lets you apply for a Brewin Portfolio Service Bare Trust Account. You can use it to apply for a UK Bare Trust only.

At the end of the application form you'll find a section titled "Confirmation of Bare Trust Status". **Please complete this also and return with the application form.**

PLEASE NOTE - We have responsibilities under UK anti-money laundering legislation and the Proceeds of Crime Act 2002 to confirm the identity and permanent address of our Clients. When you are resident in the United Kingdom, we will undertake an electronic anti-money laundering check of the personal data you have provided. The check will be undertaken via a reputable referencing agency, which will retain a record of this check. Where an electronic check of personal data is not appropriate or suitable you will be asked to provide documents to verify your personal details. These will generally be a certified copy of your passport and driving licence or other acceptable documents, details of which can be supplied on request.

We also have responsibilities under these laws to confirm the identity and permanent address of any third party or beneficial owner connected to the trust. You confirm that where requested this information will be provided promptly and will be accurate. We reserve the right not to make payments if they are to be made to third parties or to bank accounts not in your name(s) or the name of the trust, or held in a jurisdiction outside of the UK.

Requirements for electronic check - UK resident - Over 18 - Full name - Date of birth - Current residential address. Where we are unable to verify your identity electronically, we will contact you upon receipt of this completed Account Opening Form to advise the additional documents we require to comply with the UK anti-money laundering legislation and the Proceeds of Crime Act 2002.
